| For | For | Manual | Withhold | Although the company is extremely well run and generally does the right thing for shareholders there are a significant amount of directors from within the Equity Groups family of companies. While they all seem very competent we are a little uneasy about the concentration, especially when the son-in-law of Sam Zell is on the board. As a result, we are withholding our vote from the chair of the Compensation, Nominating and Corporate Governance Committee | Annual |
